What makes Lionel's Menswear one of the most enjoyable places for men to shop in southwestern Ontario? - *Absolute customer service.* Have a conversation with any of the staff that lasts more than 10 seconds, and there is a good chance that they will remember your name and what you purchased the next time you are in.

Ed Martin, Bill Twigg, Gerry Primeau, and Bill Hagan have over a century of combined experience and it truly shows. The forgotten art of having a true sales professional just being able to look at you, and immediately know your jacket or pant size, is practised here everyday.

Lionel's boasts a wide selection in all aspects of menswear regardless of the season.

If you are ready to re-embrace truly professional service when buying a suit, jacket, shirt, belt, or tie, stop by Lionel's Menswear today.
